President's Letter	1
Calendar	2
Rock Trips	3
Class Schedules	4-5
Volunteerism	6

We are coming to the close of another season. I have developed so many friendships over the past years it's difficult to leave and not be sad. Sylvia and I are always looking forward to returning year after year, as I hope you are.

As I look back at this season, I think of the Holiday dinners, BBQ's, Scholarship fundraiser & dinner, and of course Pow Wow. So many volunteers that step up and help with these and all the Club functions.

Which brings us to the real challenge in front of us, volunteerism. We have a great group of volunteers from returning and new members and we would like to have new members to step up in the upcoming season as well. I have had many reports from various shops on how well the new members are doing and that many would be great instructors. Many of the volunteers who have been doing this for years know the joy, friendship, and satisfaction from helping out. When the call goes out for volunteers, please step up.

Finally, I am honored to have been re-elected and look forward to serving as your President in the 25 – 26 season and hope to meet your expectations. Please don't hesitate to talk to me with your thoughts and ideas.

-Dale Evenson
